1 by the police academy.

2 Q. And in addition to that, I assume you
3 can take any courses that you want?

4 A. Correct.

5 Q. And in any of those courses that are
6 offered by the academy, are you familiar with courses
7 that deal with the issue of when to -- to do an audio
8 recording as opposed to when not to?

9 A. Sure, I teach it at the academy.

10 Q. Okay. And do you teach it on a yearly
11 basis?

12 A. Four times a year.

13 Q. And how long is the course?

14 A. It's one day. It's about nine hours
15 four times a year. And then do it -- we do a state
16 police in-service. It's a week once a year.

17 Q. Now, the academy we're talking about,
18 is that a specific state police academy, or is that
19 all law enforcement?

20 A. That's all law enforcement in New
21 Hampshire. I do that one by myself, and then I do an
22 in-service, just state police, and that's a -- that's
23 one week once a year.
